MEMORANDUM AND ORDER

I have also consulted with Chief Judge Gerrard. He has agreed that this case will remain on the pro se docket, rather than reassigning the case to another judge which is our typical practice when counsel is appointed. I have put into this case and a related one a significant amount of effort which would be needlessly duplicated if the case were reassigned.

1. The Federal Public Defender, David Stickman or one of his assistants, is appointed to represent Petitioner.
2. The Clerk shall notify Mr. Stickman of this appointment.
3. This case shall remain on the pro se docket.
4. The motion for appointment of counsel (filing no. 6) is granted.

BY THE COURT:

s/ Richard G. Kopf
Senior United States District Judge
